

2023 VENTURE NORTH FUNDING

HOLIDAY GIFT GUIDE

For those “smitten with The Mitten”:

MJ Design Company (Mancelona)

Offering unique, affordable, laser-cut wooden jewelry and designs for the home.

For those who function best with a little extra “fuel”:

A bag of freshly-roasted coffee or a gift Card to **Owl Eye Coffee Roasters** (Cadillac) or **Perks of Frankfort** (Frankfort) will win you points with the java-lovers on your list.

For the cool teen (or long-time collector) who’s become a fan of vinyl records:

Eugene’s Record Co-Op (Traverse City)

Carrying an array of “various genres spanning decades”, you’re sure to find something they’ll love!

For the wine lover in your world:

BOS Wines (Elk Rapids)

No Michigan “gift guide” would be complete without at least one local vineyard and BOS Wines is making quite a name for themselves with many delicious varietals while spreading awareness of their biodynamic farming techniques.

For those tough-to-shop-for parents (or spouses or...):

Give them the gift of service from **Cottage Pros** (Beulah). Treat someone to a season of snow removal or put in a call to reserve your spot for finally building that dream deck this Spring!

For the fresh-food loving cook:

Consider a membership to **The Lively Farm** (Burdickville) or a CSA sign-up with **MI Farm Co-Op** for those looking ahead to a healthier Spring!

For the get-togethers and drop-ins:

Be prepared for gathering with the delicious offerings from **J.bird Provisions** (Charlevoix) or **L’Chayim Delicatessen** (Beulah, Frankfort). Both spots also provide lunch items to help keep you going while out shopping!

Happy shopping and be sure to check back soon for our “stocking stuffers” guide!
